Dear Sunshine Coast Clean Air Society,

It is with a great deal of appreciation and admiration that I write to inform that you have been selected to receive the Canadian Cancer Society, B.C. and Yukon Division, Certificate of Appreciation.

Although a simple letter or recognition award does not seem to do justice in terms of the immeasurable and positive impact your volunteer efforts have had towards our very important work in the community, I trust you will recognize our heartfelt appreciation.

On behalf of the Canadian Cancer Society, we wish to congratulate and thank you for your significant contribution in our ongoing efforts to eradicate cancer and enhance the quality of life of those living with cancer. The volunteer force of 20,000 individuals strong across the BC and Yukon Division, are critical in helping us achieve our mission. Together – Let's Make Cancer History!

Thank you again for all your superb ongoing efforts.

Sincerely,

Cindy Soules
